

## ACCOMMODATION INFORMATION WILLMORE GUEST ROOMS

### **Lower Bi-Level Suite**

Ray and Paula Bodmarek and their children reside permanently in Edmonton, but come to their lovely Grande Cache home as often as possible to enjoy the beautiful scenery and many outdoor activities (especially hiking). In 2006 they developed Willmore Guest Rooms in the lower level of their home. It has been tastefully decorated with many pieces of local artwork purchased from the Grande Cache Tourism Centre. They hope you enjoy this quiet and lovely bush-side location in the town of Grande Cache as much as they do.

### **4 Bedroom Suite:**

The Suite has four bedrooms, three with a queen bed and one with a double bed. The four rooms share a kitchen and a bathroom. All the bedrooms have TV, DVD, telephone, and wireless internet. All the rooms are bright, immaculate, newly renovated, professionally designed, and tastefully furnished.

*All rooms are non-smoking and no pets are allowed.*
